RICHARD W. WIEKING
CLERK, U.S. DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

RE: Mark Jacobson
Docket No. CR 07-0568-01 MHP
Request for Continuance of Judgment and
Sentencing

Your Honor:

On September 24, 2007, the defendant pled guilty to Conspiracy to Misappropriate, Receive, Possess, and Transmit Trade Secrets, Gain Unauthorized Access to a Protected Computer, Exceed Authorized Access to a Protected Computer, and Traffic in a Password Allowing Unauthorized Access to a Protected Computer, in violation of 18 U.S.C. §§ 1832(a) and 371. Judgment and Sentencing were set for March 17, 2008 and the matter was referred to the U.S. Probation Office for the completion of a presentence report and investigation.

As the Court is aware, the instant offense is complex and elaborate. This officer would appreciate more time to review the numerous documents provided to this officer by the Government. Also, contributing to this request is that this officer will be on leave from February 4, 2008, through February 14, 2008. Additionally, due to the nature of the offense and ongoing investigation, the officer did not receive the necessary discovery until January 16, 2008.

Given the aforementioned, this officer respectfully requests Judgment and Sentencing be continued from March 17, 2008, to May 19, 2008, at 9:00 a.m. This officer has confirmed that both government and defense counsel are available on the above date. Additionally, neither counsel opposes a continuance in this matter.

Should the court need further information or clarification, please do not hesitate to contact me at 510-637-3591.

If the Court is in agreement, a completed order is attached for Your Honor's convenience.

Respectfully Submitted,
